

The Fabulous Fairy Tale Wedding

This week Mrs Lakanu and the Year 3 children shared a wonderful assembly with the junior children, linking the Royal wedding with their English curriculum. The children have been learning how to interpret play scripts in their creative writing lessons. The assembly was an excellent opportunity to put this into practice. Mrs

Lakanu opened the assembly with discussions about the members of the Royal family. It was apparent that the children were very knowledgeable about the Royal family. The Year 3 classes wore crowns and Tiaras, which intrigued the rest of the assembly. Without further ado, they performed a

beautiful version of the story, Sleeping Beauty. The children also depicted the story while singing a song with actions. The story itself concludes with a romantic Royal wedding, so this was a very appropriate assembly with the forthcoming Royal wedding this Saturday. Well done Year 3, on a great assembly.

Delightful Dancing

Over the weekend of the 11th May, our very own Michael Jackson...Leonardo (4C) attended the Medway Stage Festival at the Brook Theatre. This was an opportunity for Leonardo to display his array of talents within the areas of ballet, modern and tap. Leonardo earned three bronze medals and two silver! He

competed against a variety of age groups, including a fifteen year old. Leonardo was awarded the trophy for Best Male Dancer! What an amazing achievement! During Monday's assembly, Leonardo shared his news as well as showing us a dance he performed to Man in the Mirror by Michael Jackson! Everyone in the room was amazed and we wish Leonardo all the best for his future competitions.

Well done to Year 6 on completing their SATs this week. We are very proud of each and every one of you.

Next week is **National Walk to School week**. This is the time to encourage the children to swap the school ride for a school stride! This is impossible for some parents of course, but for those parents that have to drive to school why not park a little further away and walk the rest of the journey? It has been proven that children who do some form of exercise, especially a walk before school, do better in class because they arrive refreshed, fit and ready to learn.

Mysterious Egg Arrives at Bryony Pre-school

Mrs Reid brought in an Ostrich egg this week. It came with a letter attached 'Please look after my egg from'. The children had some ideas as to what kind of egg it could be.

"I think it's a chickens egg." - Macey

Some of the ideas were a T-rex, a bird, A falcon, a dinosaur, a lizard, a chicken, and a dragon. They thought about how they would be able to care for the egg.

"Lets make a nest"- Isabelle

"We need leaves and sticks"- Elijah

First of all the children made a nest for the egg and built a wall around this to protect it.

"I've got sticks"- Sophie

"Lets build a fence around it"- Amarjeet

We made worms for the baby to eat once it hatched.

'I'm making worms for him to eat' - Amrita

"I'm going to read it a story" - Rosie

Later on we read stories to keep the egg calm, in case the hatched animal was dangerous!

"We could sing to it, I'm going to sing twinkle twinkle little star" - Luca

"Maybe we need to keep him cosy."- Sienna

Kesi played with the alphabet and number wooden discs. She was putting them in order.

The children enjoyed the topic and their ideas were fantastic. What a lovely morning we had.

Our Royal Wedding Celebration Games—In Pictures

In preparation for the Royal Wedding tomorrow, the children from the Infant site joined the Junior children for some Royal fun and games. We played Corgi Racing, the Royal Wedding breakfast game and King/Queen and their servant racing. Thank you to Mrs Harrison for organising the games, to everyone for joining in so enthusiastically and to the Junior children for looking after their Infant 'buddies'!
