

Year 1 Victorians

Year 1 had a great day out at the museum of Kent Life today. First, we went for a visit around a Victorian house, where we learnt about how Victorian families lived. After a short trip to visit the farm animals, we met Florence Nightingale and learnt how to put bandages on an injury. We all had a go at the scullery maids jobs, cleaning, scrubbing and ironing clothes. We then braved the Victorian classroom, where all the teachers got a telling off; especially Mr Wood! After lunch, we all had a go at rug rag making.

The children were very handy with the tools to make their own section of a rug. The children also enjoyed learning about shopping and children in the workplace, they all decided that they'd rather be at school than work! **Mrs Dyne & Miss Hills**
More photos on Page 3.

Coming up next week..

Friday 16th March - **World Book Day (Dress Up as a Book Character Day)**

Easter Break
Thursday 29th March - Monday 16th April Inclusive.

Unfortunately due to the weather last week the **Year 6 Bikeability** course had to be cancelled. We are waiting to hear if Medway Council have any cancellations so that this course can be rescheduled. We will keep you updated.

Mother's Day Assembly

Year 2 children presented a wonderful Mother's Day Assembly. They each told the school a little about the history of the day and showed their beautiful Mothers Day cards and pictures. The children were very proud of their clay pots that they had produced during their art lessons.

Mrs Paice & Mrs Farnes

Staff training: Mrs Dyne attended a Child Lego Therapy course. Mrs Harrison attended a Formative Assessment course

Mini Youth Games (MYG)- Tag Rugby

We took a squad of 10 to the Tag Rugby festival at Anchorians on Thursday. This year the rules of the game were changed and the games were played under Rugby League Laws rather than Rugby Union. The children adapted well to this and played some excellent Rugby in a very tough group of schools. We won 2, drew 3 and marginally lost 3 games to finish a very creditable 19th out of over 40 Medway schools that took part. A special mention to **Tanaka** who shone in all his games by playing some very smart Rugby, Well done to all the children who took part.

Mr Johnson

Mother's Day Shop

FoBs organised a Mother's Day Shop on Friday at the Infant and Junior Site. **Mrs Jarvis, Mrs Butler-McAllister** and **Ms Brooker** volunteered their time to run the shop so the children could choose a lovely gift to take home for Mothers Day. Special thanks to **Mrs Jarvis** for acquiring the gifts and **Mrs Prenter**

for arranging the Mother's Day Tea Towels . Please also look out for the **My Mum** supplement in the KM Medway this week for pictures of Mums of our Year 1, 2 and Reception children!

Year 1 Victorian Trip in Pictures

'We made rag rugs they used rugs to keep warm' - Katie

'I liked looking around the Victorian house.' - Jude

'We learnt about good bedside manner in hospital' - Nozithelo

'The houses were very old and they didn't have a fridge, heaters or any electric things' - Lawrence

'We have met Florence Nightingale and tried putting bandages on each other' - Jadesola
