

**Paint the Town Theatre and Arts Festival —**

Years 3, 4 and 5 went to an interactive and unique performance at the Brook Theatre. The children played the part of 'Ground Control' and helped decide the future of a new inhabitable planet—it's laws and values. The children used a giant project screen 'Futuretron' to speak to three astronauts on board a space shuttle who

**PAINT THE TOWN**

were woken from a hypersleep from 1974! The children really enjoyed the experience. Chocolate and pets were two popular choices to bring to the new planet!

**Food Technology—Year 3**

Year 3 have been busy making and eating their fruit kebabs .

- Inside this edition:**
- Paint the Town Festival, Years 3, 4 and 5 Ground Zero Workshop
  - Year 3 -Food Technology Fruit Kebabs
  - Cake Sale in aid of McMillan Cancer Support
  - Year 6 Tessellations
  - Pre-school British Values
  - Year 4 Rings of Responsibility
- Coming up ....**
- 1st October—Year 4 Curriculum meeting for Parents 6.30 p.m. Marshall Road
  - 1st October—Juniors Harvest Festival and Year 5 distribute gifts
  - 1st October—Reception First Class Photos
  - 2nd October—Infants Harvest Festival
  - 3rd October -Years 1 to 4, Girls Football Development at Play Football Gillingham
  - 4th October—Curriculum Meeting for Year 5 Parents 6.30 p.m, Marshall Road
  - 4th October—Years 3 & 4 - Inter-School Tri Golf Competition, p.m. The Howard School
  - 4th October—Year 5 Swimming
  - 5th Oct—Open Afternoon (Prospective Parents)

Our topic this term in fruit technology and we are looking at and trying different fruits. Year 6 have been learning how to make healthy hummus and coleslaw. **Mrs Claxton**

"It was yummy in my tummy!" Bryn

**WE ARE  
MACMILLAN.  
CANCER SUPPORT**

On Friday 28th the Infants and Juniors held a cake sale in aid of Macmillan Cancer Support. Thank you to everyone who brought in cakes and money to buy cakes for this very worthy cause. A particular thanks goes to **Mrs D'Costa-Mottley (Inès' mum)** for helping sell the cakes in the Infants. Total raised to be confirmed.

## Year 6's Terrific Tessellations!

After an exhausting few days completing the 11+ examinations, Year 6 enjoyed some creative Mathematics work by designing their own tessellated patterns.

Tessellations are shapes and designs which are connected together with no gaps. The children enjoyed exploring the previous years' work on this topic, as well as using the internet to discover new, unique designs! All of the Year 6s have created stunning pieces of art to be displayed in Mrs Platford's classroom and all

children tackled the creative challenge with enthusiasm and enjoyment!

Well done for all of your hard work during the 11+ tests, as well as in this different approach to Mathematics!

**Mrs  
Platford.**

# Bryony School

## OPEN AFTERNOON

Friday 5th October

1.30 p.m. to 3.00 p.m.

**Quality Education - Small Classes - Traditional Values**

**\*\* Please spread the word about our Open Day to your friends, family and colleagues by sharing our Facebook event Post and retweeting our advert about our Open Afternoon! Thank you! \*\***

### The 'Tooth Defenders' at the Infants !

We should brush our teeth twice a day - **Jadesola**

I have a 2 minute timer to help me clean my teeth. - **Elijah Year 1**

On Friday, the infant children had an assembly talking about how to look after their about teeth. **Mrs Reid** read a lovely story about Mamba and the Crocodile Bird. Mamba learnt how important it is to keep her teeth clean after having tooth ache! Then, **Mrs Dyne** showed the children a video clip from Colgate and the We listened to a song

If you do not clean your teeth they will rot. - **Billy**

The crocodile had a bad mouth because he wouldn't let the bird clean it. - **Maria**

'Tooth Defenders'. about the rules of brushing our teeth and discussed the importance of dental hygiene. All the children in the infants went home with a sticker, a Colgate tooth brush and tooth paste to be a Tooth Defender themselves! - **Mrs Dyne**

We must brush our teeth for two minutes to make sure they are clean. - **Nozithelo**

## British Values!

Our British Values assembly this week, was about valuing the freedom that we have to have fun and learn more with our families, friends and the wider community.

Children in preschool held up photos of themselves achieving. **Jack** was stroking a snake. **Hughie** was on his trampoline with his brothers. **Caitlyn** was sliding down a high slide. **Inès** was ice skating and **Amelia** was harnessed on a high trampoline at the sea side. All these experiences help the children gain confidence and more awareness of how great life is. **Mrs Reid**

## Year 4 Rings of Responsibility

To enjoy the final glimmers of sunshine before the Autumn weather officially kicks in, the Year 4 children enjoyed their computing lesson outside focusing on Rings of Responsibility. The children firstly discussed the meaning of being responsible which included ideas of, "being in charge of something" and "looking after something" **Mrs Platford** then led the children outside to show them the Rings of Responsibility which included taking responsibility of yourself, your friends and family taking responsibility and the whole community being responsible. Statements, which linked to E-safety, were then read out for the children to decide whose responsibility was it, for example: "whose responsibility is it to ensure your home address stays private when communicating online?" "Whose responsibility is it to ensure no-one partakes in cyberbullying?"

These statements lead to some fantastic discussion as well as the children learning about key aspects of how to stay safe when using electronic devices! Amazing work Year 4 who were sensible outside, as well as thoughtful and enthusiastic! By **Mrs Platford**
