

Bikeability 2019

Well done to our year 6 pupils that took part in the Medway Council Bikeability Cycle Training over the last two weeks. The course is designed to assess the children's ability to be safe when riding on the roads. We would like to thank Medway Council's lovely team that took our children to the roads, especially those that braved Hurricane Gareth

this week. Well done to all those who took part and 'Happy Cycling'.

Future Sports Young Leaders

On Thursday, Year 5 completed their **Young Leaders course** run by Craig Harvey of the Howard School Sport Partnership. This is a course which enables the children to lead sports activities during break and lunch times to a variety of the year groups on the Junior site. Using lesson plans, the children had to learn how to teach, demonstrate, model and run different sport activities which included the Goalie game, Jelly Bean game, Traffic Lights, Rats and Rabbits and Beat the Ball.

All the children are very excited about putting these lesson ideas and games into practice.

The children showed confidence and enthusiasm for this area of learning and Mrs Platford feels that there may be some future teachers in the class!

As Mrs Platford has been provided with the different games and activities, the children are looking forward to instructing others to ensure that lunch and break times are as enjoyable as possible for all. Well done 5P!

The Howard School Sport Partnership

Coming up Next Week.....

Tuesday 19th- Year 5 & 6
Visit to Rainham Library
Celebrating Shakespeare Week

Wednesday 20th-Year 2
Egyptian Day at Kent Life

Thursday 21st-Year 1 & 2
Multi Skills Sports
Competition at Hundred of Hoo Academy

Thursday 21st -Year 4
Swimming

Friday 22nd - School
Photographs

Fantastic Year 5 Assembly on Mathematics

On Monday, Year 5 had their first class assembly with parents and carers attending to see what the class had to share. Created by the children, they led the parents and carers through their Maths learning including their work and understanding on **probability** (from the mathematical book, 'A Very Improbable Story'), which Mrs Platford had used with them on World Book day, as well as some exciting Maths investigations involving jumping frogs and some hilarious Mathematical jokes!

All the children spoke confidently to their audience with beaming smiles and a passion for their learning! There are clearly some budding actors and actresses within Year 5 as some improvisation even occurred (Sophie!) - much to Mrs Platford's amusement!

Presented to the whole of Key Stage 2 as well as the parents and carers, all audience members appeared to enjoy the

performance with lots of laughter as well as a great focus and concentration, particularly when asked to contribute on the Maths topics.

Well done to Year 5 who took on board advice from different teachers on how to present their work effectively! They were a delight and represented their class with pride-and the school as well as your family members and carers are proud of you!

Mrs Platford

Famous Bertie!

For World Book Day Bertie dressed up as Captain Clockheart. His mum sent **Gareth P Jones**, author of the series 'Adventures of the Steampunk Pirates', an email and picture of Bertie in costume. We were thrilled to read the response that Bertie received from the author:

"What an absolutely BRILLIANT email and what an even BRILLIANTER costume. I have dressed up as a steampunk pirate before. I have met children dressed as Steampunk Pirates before.

I have forced my friends and family to dress up as Steampunk Pirates before. Oh yes, I have seen some Steampunk Pirates over the years. But without a shadow of a doubt, yours, Bertie, is the best Steampunk Pirate costume I have EVER seen. I really hope you enjoy the rest of the series. It was a joy to write but it has never sold very well so it is wonderful to know the books have fans out there."

We retweeted Gareth P Jones's tweet about Bertie. See our twitter page @schoolbryony

Gareth P Jones @jonesgarethp · 3m
This is Bertie. He plays Steampunk Pirates in the playground with his friends. It is the best thing I have ever heard in my life. My job really is the best job in the world.

Celebrations Lucca & John Yr5

Lucca represented his swimming club in the Medway Park Development Gala last weekend. We are super proud of him. He took away no less than 8 gold and 1 silver medals... WOW Well done Lucca!

John had a runner up nomination medal for Endeavour award at his dance show last weekend. This was awarded at the Brook Theatre.

Well done John on your great achievement!

Year 1 Victorian Day at Kent Life

The headmaster checked that our hands and nails were clean.- **Mya**

I made a colourful jug.- **Jeevat**

I liked meeting Fred who sold the bread.- **Folashade**

We met Florence Nightingale.- **Ryanveer**

I liked meeting Florence Nightingale and wrapping up Harry.- **Gurpreet**

I tied a bandage around Mr Wood's head! **Billy**

I got my six times table all right and made the teacher happy.- **Elijah**

I liked the schoolroom because the headmaster was strict and funny!- **Inara**

I enjoyed making a small rug.- **Veer**

More Year 1 pictures as Victorians

Year 2 Ancient Egyptian Art Lesson

In Art this week, Mrs Dyne's class completed their Egyptian sarcophagus to put up on their classroom door.

The children are really enjoying their 'Tomb Raiders' topic so far and have already produced some fantastic work to make their room have an Egyptian feel to it!

We are also looking forward to our school trip to Kent Life next week where we will be dressing up as an Ancient Egyptian and learning about their lives!

Mrs Dyne

Throughout the school we have supported Red Nose Day for Comic Relief.

We have held cake sales in both sites. Thank you to all of the Infants, Year 6 and their parents who donated beautiful cakes.

In the Infants we had sponsored dance offs and in both sites we played some fun games. The assembly explained to the children what the day was about and what the money raised from today's activities would go towards. We will let you know how much money we have raised next week.

Thank you to **Miss Twigg** and **Miss White** from Rainham School for Girls for all your help today and to the parents who gave up their time to sell the cakes at the infant site.

Finally well and thank you to **Mrs Oliver** for organising the Infants fun and games. She was also the worthy winner of the Comic Relief Staff Sweepstake...!

Juniors Comic Relief Red Nose Day

On Friday, Bryony celebrated Red Nose Day with a variety of different activities held throughout the school.

For Years 5 and 6, Mrs Platford and Mrs Atkins organised a selection of different games involving the children's red noses! These games included picking up red noses with chopsticks, picking up with a wooden spoon through the slot, playing nose and spoon races and target aim with red noses- many tasks involving achieving as much as possible.

The children enjoyed the challenges with lots of laughter filling the school! It was a wonderful way to celebrate a good cause!
