## Get Set to Eat Fresh Supported by Team GB

Get Set to Eat Fresh kit for schools starts today and runs until the 3rd November. Aldi are giving customers a sticker for every £30 they spend in store. We are collecting the stickers so please tell friends and family. We would love to fill up our posters to be able to receive our Sports kit and

be entered into a competition to win £20,000.....

As you can see are the posters are fairly large...

We have 2 of these and each one takes 300 stickers to complete.

Please see the recent ParentMail and the website link below for more information on this Campaign. There are some great ideas on how to eat fresh.
