

Every year we support this very worthwhile charity that supports people affected by Cancer. In addition to our normal cake sale this year, we held our very first coffee morning and raffle at the infant site. We welcomed parents, grandparents and even the school governors... We would like to thank

all the children and parents for making and providing the school with enough cakes to sell throughout the morning, during break time and after school. Thank you to our guests and children for buying the coffee, raffle tickets and cakes. Finally a huge thank you to **Mrs Dyne** for organising the event and fellow staff for their help during the day. Today has been a great success and has so far raised

**£300.98** for Macmillan Cancer Support.

**Coming up in Next Week**

**September**

**Monday 30th - Harvest Festival (Infants and Juniors)**

**October**

**Tuesday 1st - Medway Primary Schools Cross Country League - Kingfisher School**

**Wednesday 2nd - Year 4 Curriculum Meeting for Parents at Marshall Road 6.30 p.m.**

**Thursday 3rd - Year 5 Swimming**

**Thursday 3rd - Inter-School Tri Golf Competition at The Howard School.**

**Space Art**

This week, **Year 2** have been getting creative in their art lessons, by making props for their **Space Week** assembly. Each child had a specific planet or prop to make, using a range of mixed materials.

**Ovo** - 'I am an astronaut in space. My helmet helps me to breathe.'

**Billy** - 'I have made the planet Neptune. I cut it out and stuck it on the band to wear on my head.'

**Veer** - 'I used tissue paper to make Saturn.'

The children researched images of planets, astronauts and rockets to base their creations on. We are looking forward to showing them off next week.

**Mrs Dyne, Mrs Paice and Mrs Smith.**

**Harvest Festival Monday 30th September. Please remember to bring in your harvest gifts and remember no perishable donations. See Parentmail for more details.**

## Pre-school News

After the visit to Capstone last week, the pre-school children presented the weekly assembly. They were able to tell everyone about their trip and show off the wonderful art that they had made. Mrs Reid said the children spoke

This week Pre-school have been busy learning through play.

They loved the feel of the foam and were able to make pictures with their fingers.

## P.E Lessons

Mrs Reid wanted to show you all how the pre-school children learn balance and co-ordination through their P.E Lessons. As you can see the children all seem to be having a lot of fun....

## Scientific Predictions

Today, Year 2 conducted a fair test in science to see why apples go brown.

The children got into four groups and chose two materials (lemon juice, cling film and water) and added them to chunks of apple to leave over lunch time.

**Tom** - The cups need to be the same.

The children discussed the meaning of a fair test and made predictions of what they thought might happen to the apple.

**Inara** - To make it a fair test we need the same size apple.

**Mya** - We all used the same amount of water.

### Predictions

**Harry** - I think the apple might change colour.

**Inara** - It might go rotten and brown.

**Jeevat** - The apple could crumble apart.

**Folashade** - It could melt into the lemon juice.

**Gurpreet** - It might turn into apple lemon.

**Jaiveer** - It might stay normal.

**Angela** - It might turn into apple juice.

Check out next weeks newsletter to find out the final results!

**Mrs Dyne, Mrs Paice and Mrs Smith**

## Year 1 Assembly

Today year 1 held an assembly for the infant school. The children gave a brilliant display of their current topic 'Down Memory Lane'. The children created memory boxes over the summer, and brought them in to class to share with Mrs Farnes, Miss Hills and their class friends.

The children showed their beautiful memory jars, in which they are collecting memories every week and will be able to take these home at the end of year 1 to read their memories from year one. They also shared written topic work, pictures and items from memory boxes. All of the children spoke beautifully! Mrs Farnes, Miss Hills and Mrs Saroya.
