

## Assembly

Last Friday **Mrs Gee** held a wonderful assembly with an important message to our children.

Mrs Gee encouraged the children to share examples of when they have felt like a task was difficult for them to achieve.

**Tom** - "Mrs Gee asked us to cut a hole into some paper that we could fit through. That part was easy!"

While asking this, Mrs Gee was cutting an A4 piece of paper in a different, longer way.

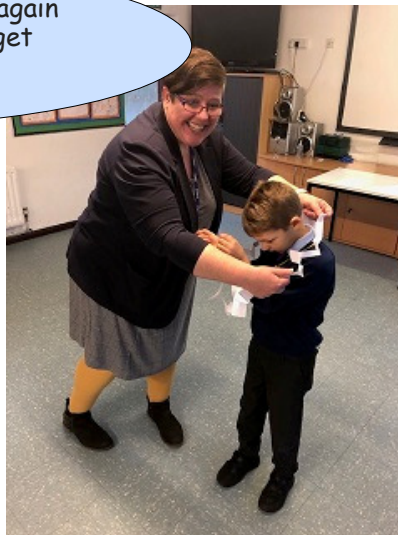

**Rosie** - "We had to do the same again with smaller paper, we couldn't get through, it was impossible!"

Once complete, the A4 paper opened up into a much bigger circle which was much easier to get through.

The morale of the assembly....we all face obstacles in life that we may find impossible to get through. But it is important to remember, sometimes we have to approach things in an alternative way, with a different mind set to overcome the obstacle.

Thank you **Mrs Gee** for such a positive assembly!

## Mini Youth Games Swimming Gala

The children have returned to School and have competed in the first Mini Youth Games (MYG) of 2020 - Swimming - at Medway Park.

Within MYG swimming, children have to competently and confidently be able to swim 25 metres. The children take part in 25m races against other schools within the strokes of breast stroke, back stroke, butterfly and freestyle (your own choice of stroke which for most is front crawl). The children can only be entered for up to three of the four events. There are also two relays - a medley comprising of back stroke, butterfly, breast stroke and freestyle and a freestyle.

The children were ably led by Lucca (Year 6). However all the swimmers were invaluable as part of this year's Bryony Swimming Team.

Out of 41 schools that entered, Bryony achieved 8th place! Again another incredible achievement. Thank you to all the parents who were able to support the children at the event.

Well done to **Lucca, Ruby, Taim, Lara, Stanley, Isabelle, Ezequiel and Isla.**
