

## Year 5 & Year 6 Topic Work

Year 5 enjoying a topic lesson, using symbols and a key including the use of Ordnance Survey maps.

They were building their knowledge of the United Kingdom and the wider world by identifying landmarks shown on the OS maps.

We finished the lesson off by a game of symbol bingo.

**Thursday 13th** - Year 6 swimming

**Thursday 13th** - Reception Assembly - Reception Parents Invited - 9 a.m.

**Friday 14th** - Reception Hearing Test - 9.30 a.m.

**Half Term - Monday 17th - Friday 21st February**

**Back to School Monday 24th February**

Year 6 getting involved in a trading game. Each group were given different amounts of money and resources, they had to think how to make the most with the resources they had by trading.

The game sparked many debates and discussions. They realised that some countries were richer than others and had to make do with what they had in order to make money.

A very enjoyable and informative lesson had by all.

## Pre-school News

Pre-school children have been looking at the number 5 this week.

**William** - "Again! Again!"

**Jack** - "I like singing 5 Little Speckled Frogs. It's really fun."

**Magdalena** - "I like singing 5 Currant Buns."

**Mireya** - "I like singing 5 Little Ducks."

**Theodore** - "I can count out pennies to 5p."

We sang songs about the number 5 and counted out pennies and other items up to 5.

**Mrs Reid & Mrs Robinson**

**Jovan** - "I can write number 5."

**London-Olivia** - "Can we do 5 Little Speckled Frogs again please?"

## Lunchtime Chess Club

Chess Club started this week with eight Year 4 children.

Lots of excitement, lots of enthusiasm! Pieces were captured and removed with glee. Some help was given with moving pieces but, on the whole, the children played competently and confidently.

Winners were **George, Phoenix, Jenyo and Ezekiel**.

Well done to everyone who took part in the first Chess Club this term.

## Science in the Sunshine

On Thursday afternoon, Year 2 had an outdoor Science lesson

"We were learning about materials" said Tom

The class had to look around their outdoor environment to find the natural materials that have been made into products (man made) that we use on a daily basis.

Elijah - "The playground is made out of concrete and stone".

Naila - "The shed is made out wood, metal and the windows are

Aliskova - "I really liked being outside for Science, looking for things".

It was a lovely, sunny day to be outside and the children enjoyed exploring all of the different materials.

Mrs Dyne

On Thursday morning, with the sun shining, it was so lovely to see Gurpreet enjoy some extra learning during break time.

She decided to get some chalk and write down some sums on the outdoor blackboard.

She showed the teachers on duty 'the journey the numbers went on to get back to 15!'

Well done Gurpreet!
