This is really important as your child's homework is uploaded by teachers here.

If you have any difficulty with this please contact the school office.

Guided Reading

Year 2 are enjoying this term's guided reading book:-

'Flat Stanley' by Jeff Brown

We made a life-sized version of Stanley and wrote our questions around him, hoping we can find the answers as we continue to read the book.

Urging safe and responsible parking!

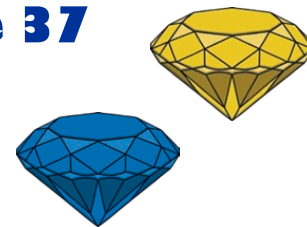

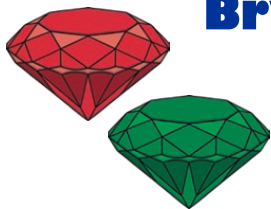

Although the majority of parents park with the safety of pupils in mind there are still a few cars at drop off and pick up times in dangerous positions despite parking restrictions being in place. A particular concern raised is those cars parked on the double yellow lines on a very busy junction where children are also crossing and cars turning who cannot see over the illegally-parked cars (see photo below – please keep both sides of this road clear).

Please can you make sure that anyone collecting or dropping off your child observes the safe parking rules as written in the **Highway Code** and respect the double yellow lines, zig-zags and the driveways of local residents. This may mean at times parking a little further down the road.

We would also urge Parents & Carers to refrain from driving onto the forecourt.

Thank you for your cooperation.
