## Sports Day supplement

We had a glorious day on 23rd June for our annual Sports Day. Our Pre-School, Reception, Year 1 and Year 2 races in the morning whilst our Junior children took part in field events in the morning and track races in the afternoon. A huge thank you to the staff who helped organise the day, the parents for your patience in the heat (and for getting involved in your own impressive races) and our children who we are incredibly proud of. Thank you to Mrs Pittock for the ice poles at breaktime! Mrs Prenter kept meticulous track of all the scores. **ZIRCON** were crowned the Infants Sports Cup Winners and **SAPPHIRE** the Junior Sports Cup winners. Well done everyone!
