Spring Term - Issue 91 - 15th March 2024

St Patrick's Day

This week in RE the year 6 children learnt about Saint Patrick. St. Patrick was a Romano-British Christian missionary and bishop in Ireland in the 5th Century and was the first patron saint of Ireland.

His death day, 17th March, was made an official Christian feast day in the early 17th century.

Bryony children have enjoyed learning about the religious services, celebrations and cultures that take place on the day.

Mrs Oliver

'March Festival KS2'

This week a small choir from the Juniors attended the Medway Music Association KS2 Choral Festival at the Central Theatre in Chatham.

The dedicated choir have spent time learning the songs and words in preparation for the concert with other Medway Schools.

Thank you to Mrs Foot who taught the children the songs well but unfortunately was not able to experience the concert due to being unwell. The children sang a variety of songs which included rounds, part singing and choruses and other great songs.

Thank you also to the parents for attending the concert in support of the children.

Mr Johnson

Bikeability Course Students

Well done to the 2 groups of children that took part in this years' Bikeability Course.!

'March Festival KS1'

Today, Years 1 and 2 attended the Medway Music Association Festival at the Central Theatre. The theme of the concert was 'Everyday People and Ourselves'.

The children got up on stage to perform 'Rabbits say nothing at all' and they all sang fantastically well.

We all had lots of fun singing with the other schools and enjoyed seeing our families in the audience.

Science in Year 6

As part of the circulatory system, Year 6 children have been looking at how other systems in the body link together - including how our lungs transfer oxygen to our blood to help our organs work.

For their homework, Year 6 were asked to create a model of the lungs: haven't they done a good job? These look fantastic!

Early Years

This week Pre-school and Reception children have been learning about floating and sinking.

They all chose an object and made a prediction of what would happen to their object.

Early Years Team

KS 1 Science

During Science week, Year 2 have been busy investigating what plants need to grow.

"We planted four cups of cress. We put one in a dark place, two in a light place but one without water and the last cup in the fridge". - Thomas

"We found out that when cress was in the cupboard it grew tall but pale in colour because it was trying to get to the sun". - Sienna

"The cress in the fridge was cold so it didn't grow because it had no light and was cold"- Sara

"We also planted different vegetable seeds to add to our wellbeing garden. We have grown carrots, tomatoes, cucumber and cabbage!" - Leah

Red Nose Day

A huge thank you to Penny and Harland for the wonderful cakes Mrs Kelly made for the children at the Infant site to take home! They looked delicious!

We all enjoyed raising money today by wearing red accessories to school. This years theme was 'Do Something Funny for Money'

If you would like to donate to Comic relief please follow the link to our just giving page.
