### Weight & Mass - Year 1

Year 1 children have been learning about Weight and Mass this week. The children have become familiar with terminology such as 'heavier' and 'lighter' and they have been able to compare the weights of objects.

They have also had fun using balance scales to find out the weights of objects from the classroom. They used standard sized blocks to balance the objects. They found out that a pencil weighs 3 blocks and a glue stick weighs 8. Mrs Paice, Mrs Stevens and Mrs White.

Here are our Love to Read certificate winners from last week and this week. Well done to you all!

### House Point Winners

## HSSP Multi Skills

On Thursday 12 children from Key Stage 1 attended the 'Howard School Sports Partnership Multi Skills Festival' at The Hundred of Hoo Academy.

The children participated in a variety of activities to develop their agility, balance and coordination skills.

The children were a credit to the school and we received 11 silver and 1 gold certificates.

Henry and Wynter received the Endeavour awards for their good sportsmanship and team work. Well done everyone!

Mrs Dyne and Mrs Apps

## Well Being Garden

Year 2 have made a fantastic start on our Wellbeing garden!

Everyone got stuck in and cleared the small side playground sweeping, shovelling and clearing away the leaves and lots of worms!!

We now have a nice, clear space for our garden plans to come to life!

The rain didn't stop us, as we planted our beautiful flowers in the classroom, kindly donated to us by Rhiley's family.

The children have worked incredibly hard as a team and look forward to completing the project next term!

A big thank you for the donations we received so far. If you have any items you no longer need that would benefit our project we would be very grateful.

## Year 6 Sky Studios Visit

On Wednesday, Year 6 travelled to Sky Studios where Sky News, Sky Sports and other Sky programmes are recorded and broadcast. The children were then able to work together to create their own news report based on "our society". They acted as true journalists, researching the campaign Kick It Out, how to improve voting in young people and the negative and positive influences of influencers.

From this, they wrote scripts and then reported, filmed, directed, edited and produced their very own special edition Sky News broadcast.

The children thoroughly enjoyed the experience!
