## Spring Term 2025 - Issue 127- Mother's Day Supplement -

In the UK, Mother's Day, or Mothering Sunday, is celebrated on the fourth Sunday of Lent. Due to the movable date of Easter, the date for Mother's Day also changes each year. This year it falls on Sunday 30th March.

Friends of Bryony School (FoBs) kindly ran **Mother's Day shops** for all children who wished to purchase a gift. FoBs also held fabulous **Mother's Day cream tea events**.

We welcomed mums, aunts, grandparents and family members and those children whose loved ones could not attend of course did not miss out and enjoyed a fun tea with their teachers.

We wish to say a huge thank you to **Mrs Bernini, Mrs Pittock, Mrs Kennett-Braganza, Mrs Goodearl, Mrs Osborn, Ms William, Mrs Weekes, Mrs Munoz and Mrs Deane** for all your help with the Cream Tea event and/or helping with the Mother's Day Shops. We really appreciate all your time and the huge effort you put in. You make such a difference to Bryony School children. Thank you.

The Kent Messenger also featured a **'My Mum'** supplement of drawings by our Reception, Year 1 and Year 2 children of their mums. This is on sale now.

**FoBs Mother's Day Shop ready to open**
