Crochet Club

The children have really enjoyed taking part in the lunchtime crochet club. This week, **Mrs King** showed the children how to make pompom Easter chicks.

The children enjoyed creating their own chicks and bunnies to bring home to celebrate Easter.

Thank you Friends of Bryony School (FoBs)

We want to say a huge thank you to **Mrs Bernini** and the FoBs team for all you do for the school. This week, FoBs gave each child an Easter egg – these were sent home yesterday. So very thoughtful and kind.

Mini Youth Games Netball Tournament

Mrs Atkins took a team of year 5 and 6 children to the MYG Netball tournament at Medway Park today.

The team played brilliantly winning 7 of their 8 matches! This resulted in Bryony School coming **2nd** out of 25 schools that entered. A fabulous achievement and a great end to another busy term of sport at Bryony

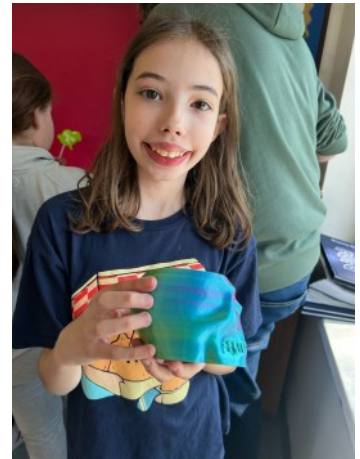

Well done Bryony!

3D Printing

A huge thank you to Mr and Mrs Crowhurst for giving a wonderful presentation about 3D Printers this afternoon. The children learned all about the process, the parts and the history of 3D printing. We were lucky enough to see a 3D printer in working action and the finished product! A huge thank you for the 3D printing gifts for all of the children too!

Easter Craft Year 4

Year 1 & Year 2 Assembly to the Juniors

On Tuesday, Year 1 and 2 were tasked with a very important job - to lead the singing assembly at the Junior School! The children decided on which songs they would like to sing (apart from 'My God is a Great Big God' which was my choice - those of you with children old enough to have experienced the infamous online assemblies during Covid may well remember with a smile that song!).

The children put so much effort into the practice and made me incredibly proud when they shared with the juniors what we had been learning this term and sang beautifully.

Well done Year 1 and 2!

Mrs Gee
